SATURDAY 13 AUGUST / 11AM TO 3PM

SCHEDULE OF EVENTS

ACTIVITY	LOCATION	TIME	DESCRIPTION
Welcome	Main stage (Outside)	11.15am	Join us in a welcome from SAE Byron Bay Campus Manager Ben Funnell.
Live performance	Main stage (Outside)	11.45am-3pm	<p>11.45AM Performance from local artist Josh Lee Hamilton. Josh is an indie folk and roots singer-songwriter from the Northern Rivers of NSW, Australia. Known for his smooth and warm sound he endears the listener with his honest and heartfelt songs that tell stories of love, struggle and faith. Overall there is a sense of optimism as you listen to his music, while his songs authentically navigate troubles and challenges from his own story.</p> <p>1PM SAE Byron Bay student Marcos Micozzi exhibits his upcoming Ep in an immersive quadraphonic performance, where he uses VR to manipulate sound in space. A merge between the analogue and the virtual, Marcos uses hardware synthesisers, drum machines and organic drum recordings together with his unique sound, the Neve Synthesiser, to create a sound experience like no other.</p> <p>1.30pm Join us at 1.30pm on the main stage as student Mateus Macedo and Dudu Martins take us on a journey of meticulously crafted sound and memorable melodies. An Ableton Live Performance exploring multiple instruments and effects, a fusion of Jazz and Neo Soul, with a touch of Hip Hop and Dub vibes.</p>
